

### **Success stories of those ponies sold and bought at Beaulieu Road**

New Forest ponies really do show their versatility in a range of spheres across the equine world throughout the country and overseas. Their achievements and accolades span many disciplines (ridden, workers, dressage, show jumping to name but a few) at national, county and local level competitions, they are great family ponies, a true allrounder.

Many of these ponies are sold as foals and often through the Beaulieu Road pony sales, some unhandled but all awaiting their next chapter of life. It is great to see so many registered New Forest ponies sold through the Beaulieu Road sales, finding their vocation and attaining amazing results demonstrating how versatile this breed is.

Here are a few successes and acknowledgment of recent achievements of those ponies sold and bought at Beaulieu Road:

Going into the Autumn, the next couple of Beaulieu Pony sales will be mainly foals (Thursday 3rd October and Thursday 7th November 2024). There will be a pre-sale foal show at the November sale, a great opportunity to see foals already halter broken and handled. These sales are an opportunity not to be missed. There will also be an online sale in December. Further information can be found at [www.NFLS.org.uk](http://www.NFLS.org.uk)
