Top class bay roan gelding who is standing at 140cm so should make 14HH or over as still growing. Sent away in October for 4 weeks to be professionally backed and schooled but is now turned away for the winter however he is rugged and in show condition. He is definitely one for the show ring. He has plenty of bone with a lovely head and correct, straight movement; he is destined for the top. He also shows the aptitude to jump. Easy to groom, have his feet trimmed and is good to lead, load and travel. He comes to call and has seen light traffic, he is wormed and vaccinated up to date.

Well handled with a lovely temperament out of a graded mare running on the forest and our stallion Bullhill Major. Woody spent his first 10 months on the forest so is used to all types of terrain, water and ditches. He is the type that should make a good working hunter pony or all rounder with plenty of bone and attractively marked. Fully vaccinated and regularly wormed, loads and travels well. He is very adaptable and will be happy in or out. Woody respects electric fencing and has been turned out alone and in company. PSSM Clear/Negative by parentage.

Cracking 14HH approx, 4 year old New Forest gelding by Longcopse Elton. A super mover like his sire and an exciting prospect for someone with the time to put into him. Lightly backed in Spring/Summer 24 but not fully completed due to family and work constraints. Owned from 10 months old, I hoped to make an all round/dressage prospect of him but sadly he needs more time and consistency than I can offer. He needs restarting and someone that can offer him the time to excel. Excellent to trim, box, catch and stable, no vices. He lacks confidence out and about so would benefit from revisiting long reining before continuing. He has seen farm machinery and is used to dogs, guinea fowl and cats. Really sad sale but realistically I'm no longer set up for a youngster as I have to do everything solo. Competent, kind home sought for my quality pony. PSSM Clear/Negative.
