

Futurity Scheme and Inspection Guidance 2025

Enter using the Grading & Assessment Entry Form, ticking the yearling box. There is no charge for Inspection Entry.

Yearlings must be halter broken enough to be judged safely and microchipped, registered on a pure bred (green) passport.

Colt foals will be judged by three society judges. If presenting a 2-yo and you wish it to be considered to run on the forest the Verderers judge will inspect them at the same time (please also tick Verderers Inspection on your entry form).

Futurity foals from 2024 will receive £250 winter keep payment irrespective of grade if they are bought forward for inspection in April 2025.

Colts which achieve the pass mark, will NOT be offered grazing this year, if no grazing becomes available, the colt's owner will be paid a nominal sum to keep them at home.

When the selected colt comes forward as a two-year-old and passes its grading and veterinary inspection, it will receive a further £250.

At this point no more grazing or financial help towards its keep is given.

When futurity colts reach five years old and gain their final Stallion licence, they will receive a final payment of £250 if they have had at least five fully registered progeny.
